July, 2024

Dear PBKACA Key Holder:

We are happy to announce our 19th annual scholarship winner, Ezra Redeatu. He graduated from Lane Tech High School and will be attending the University of Illinois at Urbana-Champaign this fall to study electrical engineering. Like all our recipients, he exemplifies the Phi Beta Kappa motto, "Love of learning is the guide of life."

Last year's winner, Juliza Ariza, has completed her first year at Hobart and Williams Colleges, where she is studying nursing. After returning from a three-week program in Berlin studying social enterprise businesses, she is studying for her EMS certification, working on a project to collect data on her school's first-generation students to help incoming students.

We once again ask for your help to support other deserving students. You can help us reach our goal of creating an endowment that would allow us to award four-year scholarships.

You may give to either our Scholarship Operating or Endowment Fund by returning the enclosed form with your check or by donating online at our website, www.pbkaca.org. You may wish to consider donating directly from your IRA, depending on your tax situation. If your employer has a matching gift program, you can help even more. We can accept stock donations, or work with you on endowing a scholarship or on planned giving. To discuss these options, please contact Roselind Lindau at 312-671-1951 or rlindau@att.net. We are a 501 (c) (3) organization and will provide you with a receipt verifying your contribution.

Very truly yours,

John Ashton
President, PBKACA
