December 2024

Dear PBKACA Key Holder,

Thank you for your continued support of the Phi Beta Kappa Association of the Chicago Area! We're glad to count you as a member of our Association and hope you will join us for another year of life-long learning.

As a reminder, annual dues payments pay for most of our operating funds, and we count on our members to keep the Association going strong. All the events you enjoy—whether it be our popular Book Group, museum tours, visits to cultural events, our annual dinner, and meetings for young professionals—are only possible with your continued generosity. And remember that PBKACA is a 501(c)(3) organization, so all of your contributions are tax deductible!

You might also remember that we recently switched over to an electronic membership system—membership dues help pay for that too. Feel free to visit us at pbkaca.wildapricot.org, our membership portal, where you can renew your membership electronically. Using the website makes it easy to find and register for events, make contributions, and update your registration. Simply ensure that your email address and contact information is correct, and you can pay through PayPal using a credit card; plus, you will receive a receipt within seconds. You can also find us at pbkaca.org, where we post fun things like media from recent events and information about our scholarship winners.

While we hope that you will take advantage of the convenience of our electronic membership system, we are still here to make it convenient for you; enclosed you will find a paper form to fill in and mail with your dues payments. However, if possible, we would ask that you renew your membership electronically, as doing so saves on postage. That way, more of your membership dues goes towards programming and less to administrative overhead.

If you have any questions about our web pages, you can email our webmaster at webmaster@pbkaca.org. For any other assistance, please contact us at info@pbkaca.org, or leave us a message at the phone number at the top of this page.

Very truly yours,

Brian Levitsky
President, PBKACA
